Kitchen Princess

Hi,
Najica

Hi,
Najica

Najica.

Hi,
Najica

Greetings

Hello *

I've really looked at cooking right now

But I still don't have a stove...I can't make ramen...

In this volume, I reduced the amount of information in the open spaces...

I didn't include any behind-the-scenes either because I

figured it'd get in the way of the flow of the story

Please enjoy

About Recipe 25's Splash Page

The manga the were released in anime, but the story was not during the summer, so I draw it on the theme of "10 memorial and unforgettable summer." I wanted to express the innocence of life, so I made the boys like this.

About Recipe 26's Splash Page

When the last splash / grand occasion, Shizuka I wanted to make it look like autumn and add a little forest. I always wanted to do a composition with all of them sleeping, but I was hard filling all four characters in.

There,

That'll

No, don't

I'll see

"I've

Round Recipe 27's Splash Page

I wanted to draw Nodoka in "The Little Princess" section, but it actually turned out to be kinder than I thought... but I still like the cover illustration.

Round Recipe 28's Splash Page

At the time I was drawing this I was remembering Nodoka. And I was thinking, what my next character would be country-style! But I kept thinking about the interior designs. That thought eventually affected the splash page. I drew everything by hand myself so it was well received by the editors and it thus became the cover of this volume. ~

surprised.

He left the

returned home.

...he's not

It's

That was
how the

performed.

Yeah, mostly
from the
secondary
school.

They like

It looks
like
people are
coming in.

Overnight
we
came for
dessert.

Oh,
okay

You're not
going to
tell her are
you right?

and you
mostly
do your
work.

Everyone
thinks
of their
problems on
you.

Well, I'm
being
student-body
president
of this.

It might
sound
good.

what?

nothing

It's
the
same
thing
for
the
smoking
room

There
was
no
one
there
at
all

You
do
it
every
day

There's
no
one
there,
but
you
can't
be
there

Over-
all

That

It's
your
person's
work

Can you throw it away?

She looks cheap
bustier

To make people realize,
you need to wear
something
right at 100 degrees!
It's common knowledge

And this
slender is
pubescent

You can feel
a shift
coming in

This is
actually
pretty bad

I'm
sorry

And
I can't tell
any more
of this

The galaxy
formation is
about to
begin
here
today

other
stuff

Thank you

I cried a lot with Hajime in this volume.

I don't see this show on TV. They had surveyed elementary school kids and I was surprised by the results. Over 80% of the kids believed that people who die will somehow come back.

So I prayed that I could depict what it's like for someone to pass away while waiting in this volume.

Please look out for Hajime. We went through some tough times and grew up a little.

And also, it would be great if I saw you in Volume 10!

Is this

cook?

I'm
counting
on
you.

She's just
a country
girl, so I'm
sure you can
manipulate
her easily.

Yes,
Father.

Najika
Kazami.

I
wonder
what
kind of
a girl
she is.

I don't
really feel
like going
through
with this
project.

Please
take me
to the
station.

Yes,
young
master.

But
it's my
father's
orders.

I
have
to
follow
them.

Spokes-
person,
huh?

Is that
building
a robot's
headquarters?
!!

Is there a
festival
or
some-thing?
There are
no many
people!!

Her?

My
very

girl

...the
spokes-
person?

Me
me
me

I'll
watch
her for
awhile...

May-
be...

Oh,
how
cute.

Her
expression
is
constantly
changing.

She
makes
me
laugh.

...but I
can't
keep
my
eyes
off of
her.

I
don't
know
why...

Maybe
I'll have
a drink.

Shoot.

I was
supposed
to turn
left...

But...

...when is
she going to
head to the
academy?

She's going the
wrong way, isn't she?

Whoo.

what
the
heck?

She's
so
weird.

To do so
much
for 100
yen...

Oh...

But...

It's 100
yen that will
give you a
happy and
delicious
moment.

Coffee
and
cocoa
!?

What
!?

Please
just try
it.

It's
really
good.

Good-bye.

But...

I
couldn't
introduce
myself.

She
really
is
weird.

...she's
warm.

And...

...after
that,
we see
each
other
again.

Please
leave
everything
about her
to me.

Director's
Office

How was
Naika
Kazami?

I
really
like
her

we officially
met in the
cooking
classroom

I was
so much
like you
to do
that.

Even if
your
first
day

you were
helping a
student who
couldn't
make flap

...She was
studied
with the
recommen-
dation
from the
director.

Oh, so
you're
the
one—

I
couldn't
say
was
following
you.

You have
a cute
smile.

...so
I pre-
tended
to meet
you for
the first
time.

...I
probably
already
liked
you.

That
day...

I was
really
happy.

I didn't
know
until
met
you.

Food
tasted
so
good.

This
safari
could
be
fun.

It's
delicious.

Because
I'll
always
be
here...
